The screenshot shows a search interface with a sidebar on the left containing filters for Title, Department, Researchers, Year of Publication, Language, Type, Subject, and Award. The main area displays several book results, each with a cover image, title, author information, and subject tags. One result, 'The Philosophy of Decomposition', is highlighted with a red dashed box.

Outline / Table of Contents, etc

This block provides a detailed view of the book 'The Philosophy of Decomposition'. It includes the title, author (Tatsushi FUJIHARA), publisher (Seidosha), price (¥2,400), and language (Japanese). A section titled 'Outline' provides a summary of the book's content, discussing the transformation of waste into products and the intersection of various fields like food, literature, and ecology. On the right, there is a 'Get this Book' section with links to the KULINE library catalog, CiNii Books, the Kyoto University CO-OP, and the publisher's website.
